LONDON'S Dreadful Visitation:

Or, A COLLECTION of All the

Bills of Mortality

George Manning
For this Present Year:

Shoreditch &c &c
Beginning the 20th. of Decem^r 1564. and
ending the 19th. of December following:

As also, The GENERAL or whole years BILL:

According to the Report made to the
KING'S Most Excellent Majesty,

By the Company of Parish-Clerks of London, &c

LONDON:

Printed and are to be sold by E. Cotes living in Aldersgate-street,
Printer to the said Company 1665.

The PRINTER *to the* READER.

Courteous Reader,

Presume that the *Candor* of thy *Ingenuity* is such, that thou wilt not *rashly* condemn me of *Impudence* in the Reprinting these *sad sheets*. First understand the *Reasons* moving me thereunto, and then I am somewhat confident that thou wilt Approve of my Design.

I know that Romances and Play-books too much gratifie the Humours of the *Populace*; but humble and sincere Christians, with Delight recall to minde Gods Mercies, and with Awfuiness tremble at His Judgments: Behold, the ensuing Papers will assist thy Meditation in both: Consider His *Mercy* to *Thee* and *Mee*, that we are yet in the Land of the Living, to work out our Salvation with *Fear* and Trembling: His Judgments on many *Thousands* in or near this City, whom He hath in *One* year swept away with the Beesome of a Temporal Destruction: O let us not imagine, that they were greater Sinners than we the Survivors! for, Except we speedily and seriously Repent, we shall all likewise perish, either *Similitudine*, or *Certitudine Pene*: But I am a *Printer* no *Preacher*; I shall therefore wave such Discourses, and briefly, yet perspicuously, render a faithfull Account, why I undertook this Publication.

In the year 1625. the stroke of the Lords hand was heavy upon this City and Suburbs, which year was ever since called

To the Reader.

The Great Plague: Now though thou hast seen probably several Printed General Reports, given in by the *Parish Clerks* in that year; yet I am not able to Recover all the particular Weekly Bills thereof; the sight of them hath been much desired these times; but it is beyond my power, as yet, to answer mens expectations. That Posterity may not any more be at such a loss, I resolved to communicate unto the Nation, these subsequent leaves: In all humility beseeching the Omnipotent, to conferr upon us, such an *uniforme and cordial Repentance*, that every one of us may search out the *Plague* of his own *Heart and Brain*, and *Purge our selves*, by His gracious assistance, from all filthiness of *Flesh and Spirit*; that so He may in the riches of His tender Compassion, return in favour to this sinful City, and restore Health to our *Habitations*: That neither the *Physicians* of our Souls or Bodies, may hereafter in such great numbers forsake us; and that neither my self, or any other of my Profession, may have occasion, for the future, to Print such *Dreadful lines*.
